Fishcake NFT Event Pass –
Trust, Rewards, and Beyond!

We're excited to announce a revolutionary new addition to Fishcake: NFT Event Pass system! Now, you can not only showcase your profile and Mine FCC with unique Event NFT Pass, but give creditability for your tokenized campaign on Fishcake, unlock exclusive benefits and build trust within the Fishcake community.

NFT Pass mint and use case:

1. **Pro NFT Pass**: Pay 80 USDT to mint a special NFT (Cost may change per notice), your badge of honor as a recognized Fishcake campaign runner. This distinguished status grants you:

   o 1000 Fishcake Coin Reward! (total of 0.2 billion FCC)

   o Enhanced campaign visibility: Get your campaigns featured prominently on the Fishcake platform, attracting more customers, and boosting engagement.

   o Enhanced campaign credibility: Give access for your audience to view your business profile, enhance the trust as paying user.

   o Mining eligibility: Earn FCC rewards directly from campaign completion, adding another layer of incentive to engage your audience.

   (Double mining compared to Basic NFT Pass)

   30-day active period: Enjoy priority listing and mining rewards for a full month. After that, renew your verification by Mint a New NFT or opt for the Basic User NFT to maintain your engagement of Fishcake ecosystem. (Binding to NFT Minting address)

2. **Basic NFT Pass**: For 8 USDT (Cost may change per notice), create your own personalized NFT and join the fun! You can:

   o 100 Fishcake Coin Reward! (total of 0.2 billion FCC)

   o Launch Fishcake campaigns: Run your own engaging campaigns and potentially earn Mining FCC based on audience interaction as a real contributor.

   o Display your campaigns: Share your creative initiatives with the community and scale your reach.

30-day active period: Just like Pro NFTs, your campaign Visibility and mining eligibility last for 30 days. Renew with another Basic User NFT or upgrade to Pro status for more perks. （Binding to NFT Minting address）

3. Future Benefits

Airdrops: Fishcake may conduct airdrops of FCC tokens or other valuable assets to NFT pass holders in the future.

Exclusive NFT Badges: NFT pass holders may receive exclusive NFT badges that can be used to display their status on the Fishcake platform.

Project DAO Voting Rights: NFT pass holders may be granted voting rights in the Fishcake project DAO, which will allow them to participate in the governance of the platform.

Early access to new features and products: NFT pass holders may be granted early access to new features and products on the Fishcake platform.

Discounts on platform fees: NFT pass holders may receive discounts on platform fees, such as transaction fees and listing fees.

Participation in exclusive events: NFT pass holders may be invited to participate in exclusive events, such as meetups and conferences.

Beyond Verification: NFT Badges and Recognition （developing）

Fishcake's NFT system goes beyond just verification. We're building a comprehensive badge system to reward your valuable contributions to the ecosystem. Each badge, earned through specific achievements and active participation, will enhance your profile, and unlock additional benefits:

- NFT Loyalty Badges: Showcase your dedication to Fishcake by collecting loyalty badges based on your NFT profile verification history.
- Event Participation Badges: Be eligible to mint unique badges for participating in various Fishcake events and campaigns. These badges not only represent your achievements but also open doors to special rewards and recognition.
- Ecosystem Contribution Badges: Actively contribute to the growth and development of Fishcake through various actions like campaign creation and operation, feedback, or bug reporting. Your badges will reflect your dedication and potentially grant access to exclusive beta features or community governance opportunities.

Join the NFT Verified Revolution!

Fishcake's NFT Pass and Verification system is more than just a status symbol. It's a trust badge, a reward system, and a springboard for deeper engagement within the community. Join us today and:

- Mint your NFT: Choose your tier and become a verified campaign initiator!

- Launch your campaign: Utilize the power of blockchain and NFT verification to connect with your audience and earn rewards.

- Collect your badges: Showcase your NFT Avatars and badges and unlock exclusive benefits within the Fishcake ecosystem.

Together, let's build a thriving Web3 community built on trust, creativity, and shared success!

Don't forget to stay tuned for further updates on our exciting NFT Pass and Badge system and its potential rewards!
